The Bike Project was introduced to incorporate cycling into the PE curriculum. It will be differentiated and will include offsite visits to cycle tracks. Every student in school will have the opportunity to ride a bike with or without stabilisers and work towards enjoying bike rides in our local area.	The purchase of 25 bikes, accessories and safety equipment. The conversion of the existing bike garage to a bike workshop.	£10,700 £0	This project will be sustainable and in 10 years time, it is my hope that the PE teacher at Woodlands will continue to teach every student to ride a bike. Our young people are riding bikes for the first time and going out on bike rides for the very first time. There has been an enthusiasm for bike riding since	High quality of equipment purchased so won't need replacing.	

<p>Girl's PE group established. To give girls the opportunity to compete in PE with each other</p>	<p>Girl's PE slot on the timetable.</p>	<p>£0</p>	<p>this project has started.</p> <p>Girl's PE has been fantastic. All girls engage fully with the lesson and have stated that they feel as though they can compete with each other. It has also had a positive impact on Girls performance in mixed PE, with girls making good progress. Girls now have the confidence to compete with other schools.</p>	<p>Ensure that the girl's group continues and girls PE and sport is celebrated.</p>
